## *From Homestead Market*

---

Homestead Market's Winter Delivery has changed. The Homesteader's will no longer be delivering on the third Saturday of each month as we have in the past.

**Instead**, Dava Parr of Fresh & Wyld here in Paonia will be delivering for us. We feel this change will be a better service for all of you in the Roaring Fork Valley as she delivers once a week—**every Monday**—and will deliver **directly** to your **home or workplace**.

There will be an \$8.00 delivery fee for this service—however—you will now pay a **lower price** for meat—the same as we charge here at Homestead Market and the sales tax will only be the **4% Paonia sales tax**; plus—no more driving for you to pick up meat orders.

Dava delivers from the foot of McClure to Carbondale, Carbondale to Glenwood Springs, and Carbondale to Aspen. The only exceptions to this will be if you live a great distance from the Highway (Old Snowmass Village for example) Dava asks that you meet her at a mutually convenient place.

Customers will call Homestead Market to place orders the same as always. We will take your credit card information and ring the sale up here at the store (we will be glad to call you back with the total). The delivery fee will be included with the sale and your receipt will be in with your order. Your order will be delivered the following Monday. If the volume of orders becomes too great Dava might have to deliver in the lower valley one Monday and the upper valley the next Monday—we will let you know if this happens.

You can order from the brochure included with this letter or find the brochure on our website at [www.homesteadranches.com](http://www.homesteadranches.com). We welcome phone, fax or e-mail orders. When you order please include your full name, the address that your order will be delivered to, your credit card information and of course your telephone number. If anything arises to change the delivery point on Monday, call Dava on her cell at 979-309-0510.

**Between now and April 1<sup>st</sup>, delivery will be every Monday, as mentioned above and from April 1<sup>st</sup> to June 15<sup>th</sup> delivery will be every other week.** Dava at Fresh & Wyld will be planting and tending her gardens so she will be ready for summer deliveries. Dava would be happy to provide you with fresh produce and eggs along with your meat order from us. Among her many talents, Dava is an accomplished chef and offers prepared meals to be delivered also. Please check out her offerings on her website at [www.freshandwyld.com](http://www.freshandwyld.com).

This new delivery system is a work in progress so please give us your comments and suggestions. We will continue e-mailing updates but we will not be mailing a letter after this. Please provide us with an e-mail address if necessary.

Thank you for your continued support over the years. We hope to continue to provide a good service to you in the future.

Thanks, From all of us at Homestead Market
